

EVACUATION PREPARATIONS

1. NEED LOCAL CONTACTS

- Ask neighbors if they would be willing to pick you up, once they have evacuated themselves, on their way out of the danger zone.
- Once contacts are established, make sure their names and numbers are written on your yellow information sheet (that you will take with you).

2. COMMUNICATE YOUR EVACUATION PLAN WITH YOUR FAMILY.

3. PRESS YOUR Home Alone Button IF YOU CANNOT GET HELP WITH EVACUATING.

- A deputy with the Sheriff's Office will arrive as soon as possible

SUGGESTIONS FOR AN EVACUATION KIT:

- Necessary medications and / or medical supplies
- Yellow personal and medical information sheet
- Change of clothes
- Toiletries
- Drivers License / Identification
- Healthcare / Medicare / Insurance cards
- Any other important papers
- List of important phone numbers
- CASH (small Bills)
- Pet food and supplies (if applicable)
